**AMAZIR**

An idealistic young Englishman, Harry Summerfield, befriends an American oil explorer in Gibraltar in the 1930s. Their meeting sparks a journey for both men that will take them across Morocco and northern Africa, to encounter the harsh realities of Berber opposition to French colonial rule and the passion and conflict of a love for the same young French woman.

**THE MIND'S EYE**

**Oliver Sacks** tells the stories of people who are able to navigate the world and communicate with others despite losing what many of us consider indispensable senses and abilities: the power of speech, the capacity to recognize faces, the sense of three dimensional space, the ability to read, the sense of sight. For all of these people, the challenge is to adapt to a radically new way of being in the world.
